

Clever Login Instructions

- 1 You have two options for accessing K12 Tutoring via Clever:
 - a. Using the Clever Portal
 - b. Using the SSO link provided by the District.

- 2 If using the link provided, you will skip the login credentials and select Clever:

The screenshot shows the 'Log In To Your K12 Tutoring Account' page. It has fields for 'Email' and 'Password', a 'Remember me' checkbox, and a 'Forgot Password?' link. A yellow 'Login' button is present. Below this, it says 'or' and 'Use a SSO platform if your school set up your access that way.' There are two buttons: 'Clever' (which is circled in orange) and 'ClassLink'. At the bottom, it says 'Don't have an account? Click Here'.

- 3 Troubleshooting: If the Clever connection between K12 Tutoring and your school/district is not set up correctly, you will receive an error message and should contact your Clever Admin, teacher, or successteam@tutoring.k12.com
