As an **educator** with K12 Tutoring, you have access to a streamlined platform that supports every part of your tutoring workflow.

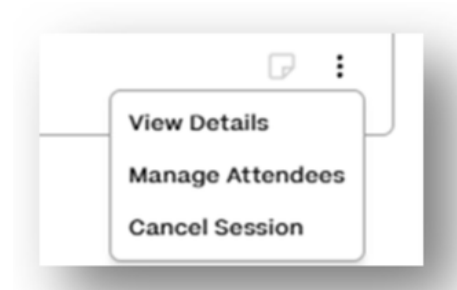

After logging in to your account, you can easily communicate with tutors, manage and adjust your existing sessions, and book new one-time or recurring sessions for individual students or small groups.

The platform also gives you the ability to review tutor feedback and session history, ensuring you stay informed about student progress and can continue to support their learning effectively.

Upcoming Sessions

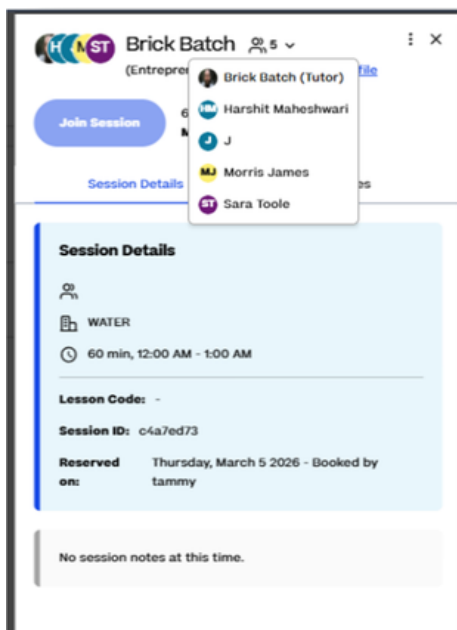

- View all scheduled student and group sessions.
- Use the three-dot menu to: View Details, Manage Attendees, Cancel Sessions.

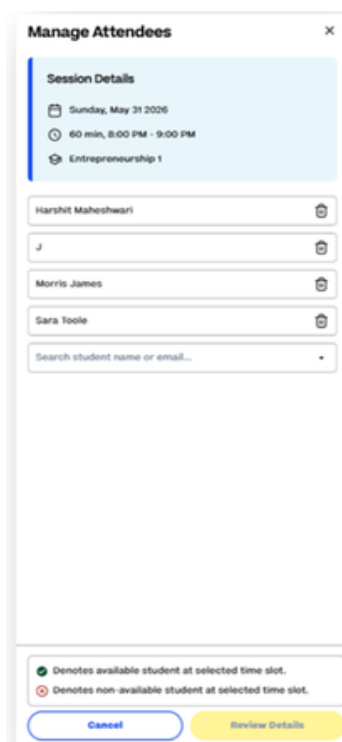

View Details

- Review student attendees and tutor profile.
- Join live session and message tutor (attachments supported).

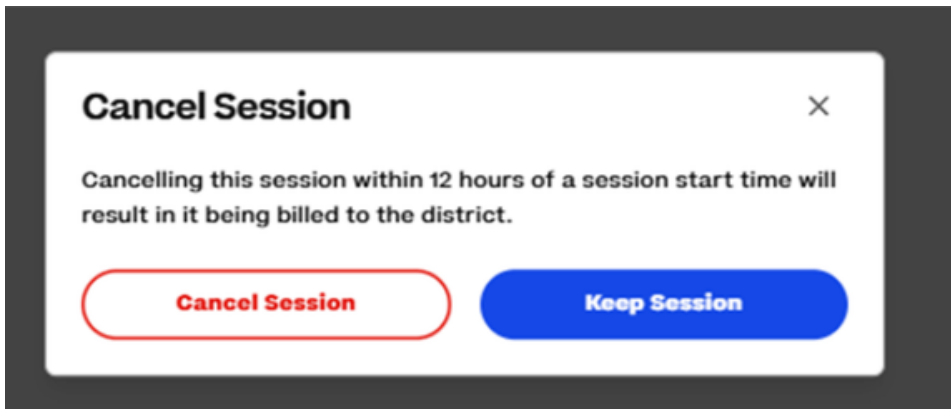

Manage Attendees

- Add or remove students prior to session start time.

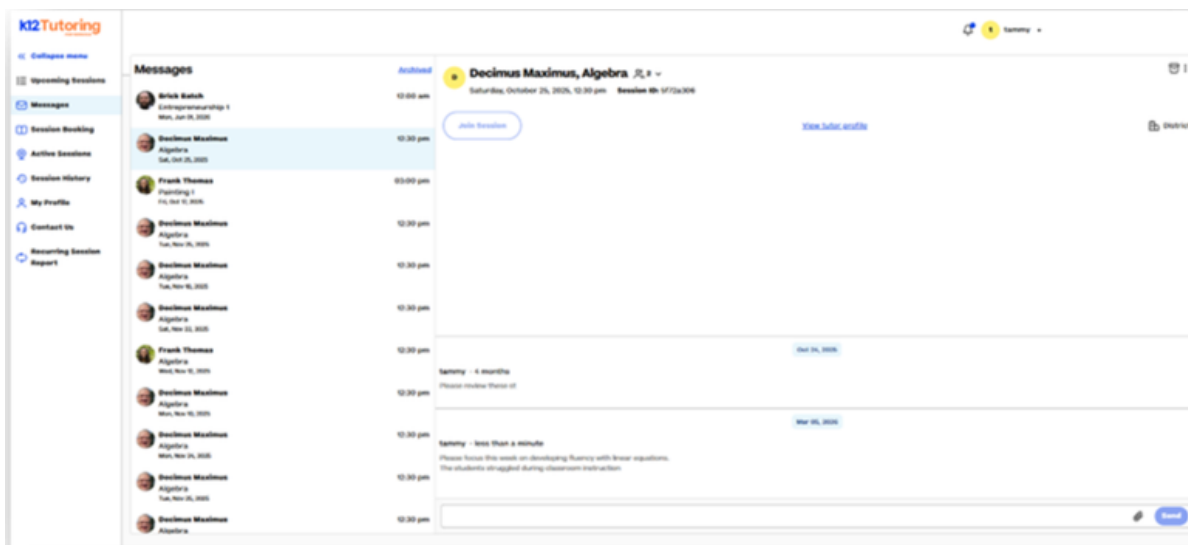

Cancel Sessions

- Educators can cancel with at least 12 hours' notice.

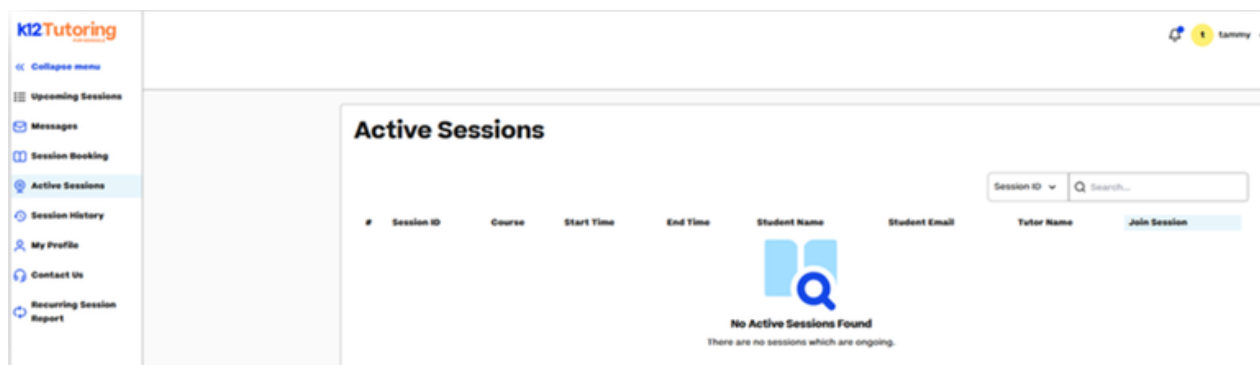

Messages

- Communicate with tutors by session within the platform.

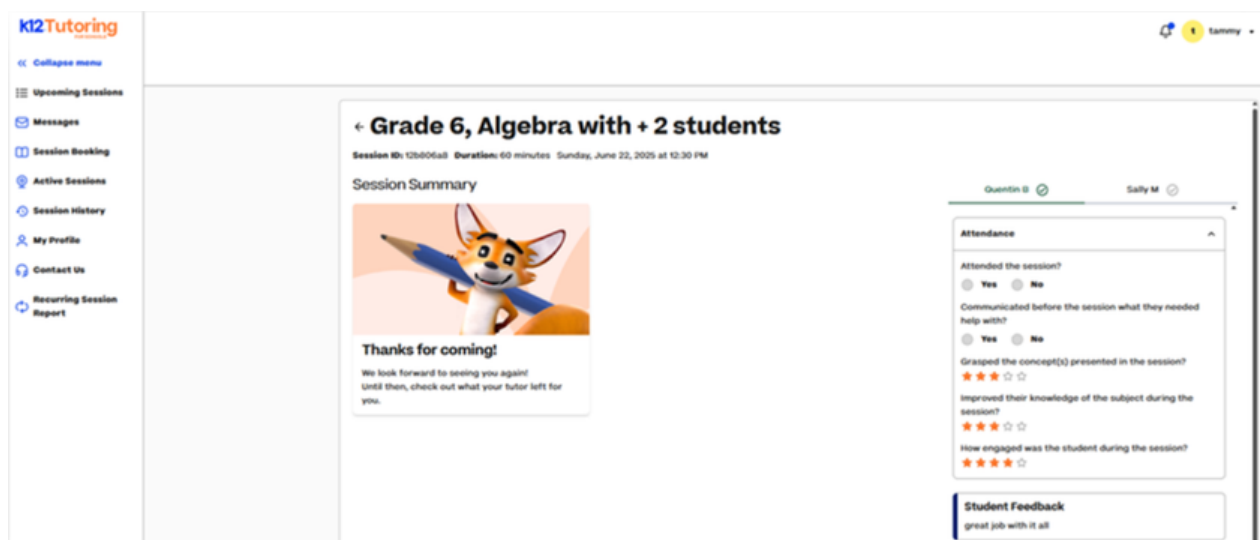

Active Sessions

- Observe live tutoring sessions.

Session History

- Review previous session status and feedback.
