

How to Navigate Engageli

Accessing Your K12 Tutoring Session:

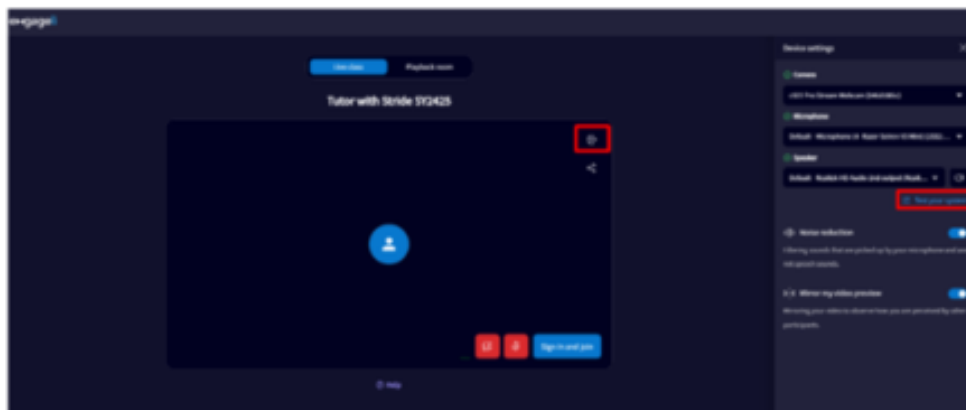

- Log in to your K12 Tutoring account using your internet browser. We prefer **Google Chrome** or **Microsoft Edge**. **Engageli App will not work with our platform directly**
- Select **JOIN THE SESSION** to enter your tutoring session. The **JOIN THE SESSION** button becomes available **15 minutes** before your scheduled session.

JOIN THE SESSION

Allow Engageli to use your camera and microphone.

Click the **Settings** (gear) icon to select your camera, microphone, and speakers. You can also use the **Test Your Systems** feature to confirm that your audio and video devices are working properly before your session.

Click the blue **Sign in and Join** button to enter the session. If your tutor has not yet opened the room, you will be placed in a waiting room until they admit you.
